unanimous are The present Mission (namely) has expressed the opinion that it is not necessary to have an elected President at present & that it may be considered Limited Leave - In view of this it is for orders if the request of the Mcl for granting the privilege of selecting a non-Mc President may be complied with

2/ We do suggest that in case the request is to be complied with the Builder, Jinja Labour Ltd may be appointed the Expressed Mission But he is not at present a member of the Mcl he will have to be appointed as such in the first instance, as one of the 25 members & then appointed as an Expressed President This would mean a ~~modification~~ departure from the present method of reconstituting the Mcl whether it may be done or not for orders

3/ As the Mcl has to be reconstituted from 1/1/43, it is necessary to have a President from that date It is therefore for orders if the Revenue may be appointed as the President of the Mcl
